Hal -

It seems you still did not receive a copy of Khrushchev so I bought one today at Brentano's. (Hope as it may sound, this is the first copy of the Bantam edition that I've laid eyes on. Never have one in the store.)

See you soon?

Best,

Walt

I had discussed it with Marc already, whose affiliated reaction had been so-so. Now I'll try for a kind of formal discussion during the editorial meeting on Friday / this week.

Better yet, why not bring it up at the next editorial meeting and see what Marc says.
